JETSAM — "Powerviolence is for Lovers" EP

This is 5 songs from a new local no-guitar three-piece. It says powerviolence, but I'm getting a little bit of an emo skramz vibe... dare I say emoviolence? And that's a good thing! Reminiscent of IN/HUMANITY and more contemporary emotional skramzy hardcore but with plenty of blasting and sludgy funky MITB bass work to earn the PV label. Find it online. —MDC

Big first release for this new MTL band. The best powerviolence guitar is a bass. –VIJ

VARNING 2022:

Everyone seemed stoked that Varning was back. Some big standout bands and some snoozer. –VIJ

BOZO show at Hemi Gauche:

The real bozos were the bouncers, and that esti cloune with the video camera on stage – VIJ
